

5th International Conference on Education, Teaching and Learning

15th - 16th October 2026

Hybrid (Online and In-person)

Bali, Indonesia

Welcome to 7th International Conference on Gerontology & Geriatric Medicine

The 5th International Conference on Education, Teaching, and Learning (EDCON 2026) will be held on 15th - 16th October 2026 (in person and online) in Bali, Indonesia.

Education is more than just the sharing of knowledge; it is the key to unlocking human potential, encouraging creativity, and laying the groundwork for a better future.

We extend a warm welcome to all the potential individuals and enthusiasts to join us on this exciting journey at EdCon 2026, where education takes center stage. Throughout the event, you'll have the opportunity to engage in various sessions, workshops, and enlightening speeches. Interact with leading experts and pioneers in the field as they share insights, strategies, and visions. Participate in this exciting event and connect with industry professionals by sharing your research, innovative practice, and case study.

Whether you join us in- person or online, we welcome you to be part of this inspiring and transformative experience.

We look forward to welcoming you to **Bali, Indonesia!**

Call for Papers

Conference Theme: **“Designing the Future of Learning: Engagement and Well-being”**

Education systems around the world are evolving rapidly due to technological advancements, changing learning environments, and the increasing need to support student and educator well-being.

EDCON 2026 focuses on research that explores:

- Innovative teaching strategies
- Learner engagement and experience
- The role of artificial intelligence in education
- Mental health and well-being in learning environments
- Future skills and lifelong learning

The conference aims to promote dialogue and collaboration that contributes to **inclusive, engaging, and sustainable educational ecosystems.**

Researchers working in the fields of education, pedagogy, digital learning, artificial intelligence in education, and learner well-being are encouraged to submit their work.

Conference Tracks

Topics of interest include, but are not limited to:

- **Learning Design and Pedagogical Innovation**
- **Learner Engagement and Experience**
- **Well-being, Mental Health, and Safe Learning Environments**
- **AI and Technology for Human-Centered Learning**
- **Lifelong Learning and Future Skills**
- **Sustainability and Education for the Future**
